**THE CHURCHILL CENTRE** was founded in 1968 to educate new generations on the leadership, statesmanship, vision and courage of Winston Spencer Churchill. With members worldwide, the Centre maintains over thirty affiliates on four continents. The Centre sponsors the annual International Churchill Conference and numerous regional events; hosts academic symposia and student seminars in the United States, Canada and Britain; publishes the award-winning journal *Finest Hour* and the Churchill newsletter *Chartwell Bulletin*; and supports original research on Churchill's life and legacy.

**THE CHURCHILL CENTRE LEADERSHIP AWARD** recognizes significant accomplishment by an individual in the public or private sector reflecting the leadership, boldness and vision of Winston Churchill. The 2012 Award will be presented to Frederic V. Malek for his lifetime of service as an advisor to four Presidents and for his leadership in private investment and public philanthropy. Previous recipients of Churchill Centre awards have included The Rt. Hon. The Lady Thatcher, James A. Baker, Gen. Tommy Franks, J.W. Marriot, Jr., Tom Brokaw and William S. Gates Sr.

**THE NATIONAL CHURCHILL LIBRARY AND CENTER** is being established by The Churchill Centre and The George Washington University on the university's Washington, D.C. campus. This important new institution will provide a permanent home for Churchill scholarship, education and studies in the United States and host a comprehensive collection of materials about Churchill's life and times. It will offer events and programs related to his career as a world statesman and an exhibit gallery for permanent and temporary presentations about Churchill and his influence on the modern world. The Library and Center will include a newly endowed Professor of Churchill Studies in the university's History Department.
